

Self-introduction video 3-5 minutes

Here are a couple of ideas for your self-introduction video. You can use our questions, but you do not have to. All we have to know is who you are and why you want to do our teacher training.

1. Please shortly introduce yourself. (name, age, your physical education, your own preferences in sports, experiences)
2. What are your personal qualifications apart for your educational background?
3. What is your motivation for this training?
4. Have you ever been in contact with cancer patients? If yes, how? (yourself, family, friends, work)
5. What do you expect from this teacher training?
